

Halloween Box Decoration

Directions:

- 1) Print onto an A4 paper
- 2) Cut out all areas marked with an x
- 3) Cut out but keep the bits within letters like the "e", "p" and "a"
- 4) Cut along the outside black lines
- 5) Paste a different colored paper behind the text so the letters show as colored. Paste the bits from #3 so they will form complete letters.
- 6) Fold along the dashed lines
- 7) Paste the tabs so as to form a 3D box
